March – April 2018

Our Mission is to increase overall academic achievement of all students by addressing individual needs and differences.

From The Desk of the Principal

We will be taking the Standardized Assessment for all grades from April 9-30. **Please make sure your child is in attendance during the duration of our testing window.** Make sure that they get adequate sleep. It is recommended that they eat breakfast daily to keep up their stamina. This is the 4th Marking Period; please check Student Progress Center to keep abreast of your child's grades. Students need to pass all subjects to move up to the next grade. Students need four quality points in each subject area and they cannot make an **F** during the **last marking period** to be promoted. **Attendance continues to be an issue for a few students.**
